MR. HAMUD ALI ABDULKADIR

Message from the Hon. Chair of the Board of Directors and Partners.

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

Alhamdulillah it has been five years since we started Deenway International School (DIS). The reason why we started this school was to provide an opportunity for students to study the British National Curriculum in an Islamic Integrated School where ISLAM is the guiding compass of all that is happening in the school.

We are very committed to Islamic Religious Education as well as the British National Curriculum (IGCSE). We have constituted the department of Islamic Studies where we have qualified Islamic Studies Teachers from reputable Islamic Universities. Teachers from this department teach Quran reading and Hifdh, Tajweed, Arabic Language, Tawhid, Fiqh, Hadith, Seerah, Tafsir and Tarbiya.

We also have the standard departments offering Mathematics, English, Physics, Chemistry, Business, History and other subjects offered by the British National Curriculum.

Our students start their education every morning by first reading the morning adhkar followed by one hour of Quran classes. After we have an integrated approach where Islamic subjects and other subjects are taught seamlessly.

Basically, our goal is to cultivate graduates who possess a deep understanding of their religion, exemplify Islamic values and character, and achieve excellence in their academic performance. We are working very hard to make sure we achieve and excel in our goals. It is a process of continuous improvement. We are always looking for ways to improve our systems and our processes, by engaging stakeholders and experts.

We really thank all the parents who are working with us to improve the school.

We have developed a survey tool to obtain feedback from the parents and we will send you the survey link soon. Also, it has always been our plan to have a fully separate classes for boys and girls.

Alhamdulillah, starting in term two, we will have a fully segregated environment for boys and girls. Thank you again and may Allah grant us the best in this world and the hereafter. Ameen

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

"الحمد لله، مضت خمس سنوات منذ أن بدأنا مدرسة "دينواي الدولية (DIS).

كان السبب وراء تأسيس هذه المدرسة هو توفير فرصة للطلاب لدراسة المنهج الوطني البريطاني في مدرسة إسلامية متكاملة، حيث يكون الإسلام هو البوصلة التي توجه جميع الأنشطة في المدرسة.

نحن ملتزمون جدًا بتعليم التربية الإسلامية إلى جانب المنهج الوطني وقد أنشأنا قسم الدراسات الإسلامية الذي يضم (IGCSE) البريطاني معلمين مؤهلين من جامعات إسلامية مرموقة. يقدم معلمو هذا القسم دروسًا في قراءة وحفظ القرآن، التجويد، اللغة العربية، التوحيد، الفقه، الحديث، السيرة، التفسير، والتربية الإسلامية.

كما أن لدينا أقسامًا معيارية تقدم الرياضيات، اللغة الإنجليزية، الفيزياء، الكيمياء، الأعمال، التاريخ، وغيرها من المواد التي يغطيها المنهج الوطني البريطاني.

يبدأ طلابنا يومهم التعليمي كل صباح بقراءة أذكار الصباح، يليها ساعة من دروس القرآن الكريم. بعد ذلك، نتمتع منهجًا متكاملًا يتم فيه تدريس المواد الإسلامية وغيرها بسلاسة.

هدفنا الأساسي هو تخريج طلاب يمتلكون فهمًا عميقًا لدينهم، ويجسدون القيم والشخصية الإسلامية، ويحققون التميز في أداؤهم الأكاديمي.

نعمل بجد لتحقيق أهدافنا والتفوق فيها، ونسعى دائمًا للتحسين المستمر. نحن نبحث دائمًا عن طرق لتحسين انظمتنا وعملياتنا من خلال إشراك أصحاب المصلحة والخبراء.

نشكر جميع أولياء الأمور الذين يتعاونون معنا لتحسين المدرسة. لقد قمنا بتطوير أداة استبيان للحصول على ملاحظات من أولياء الأمور، وسنرسل رابط الاستبيان قريبًا.

كما كان دائمًا ضمن خططنا توفير فصول منفصلة تمامًا للبنين والبنات. والحمد لله، ابتداءً من الفصل الدراسي الثاني، سيكون لدينا بيئة منفصلة تمامًا للبنين والبنات.

شكرًا جزيلاً لكم، ونسأل الله أن يمنحنا الأفضل في الدنيا والآخرة. آمين
حمود علي عبد القادر

It gives me great pleasure to feature on this platform to share my profound greetings and appreciations to all our dear parents, guardians and stakeholders.

Six years ago when I constituted the team behind the setting up of this great international integrated education Centre, little did I know that so soon we were to have students attaining highest marks in Africa in the International Examinations.

These results are a reflection of your commitment and great support towards our schools' academic programs and the Islamic holistic learning approach.

We shall continue to enrich the Islamic learning programs including upgrading our methodologies and approaches to reach out to all the learners needs in our school.

From January 2025, we shall roll out the phase three of our school development plan and the school action plan where we shall separate completely the girls' classrooms from the boys' classrooms.

In addition, the separation will also include common contact areas like the school canteen and other related common areas. We shall issue a special students' interaction facilities manual to offer guide on the same.

My office is always open for consultations and further religious discussions. You use my contacts shared here-below to call me directly.

ASSALAMU ALAYKUM WARAHMATULLAHI WABARAKAATUH

Timu yetu ya wanazuoni wa Kiislamu pamoja na vitengo vingine vikubwa vinajitahidi kutoa mbinu ya kipekee iliyounganishwa ambayo ilikuwa ya kwanza nchini Kenya.

Ninashukuru sana imani na uaminifu uliopewa na Wazazi, walezi, na wadau wote ambao wametuzesha kuwafikia wanafunzi kutoka Kenya na nchi nyingine za kanda na sehemu nyingine za ulimwengu.

Ninaelewa wazi changamoto zinazowakabili wazazi na walezi kuhusu Mtaala au Silabasi, ikiwa ni pamoja na programu zisizo za Kiislamu zinazolazimishwa katika nchi za Ulaya, Amerika, au Kanada ambazo zinapingana na maadili yetu ya Kiislamu.

Tafadhali wasiliana na wanafamilia wengine na marafiki na uhakikishe kuwa katika Shule ya Kimataifa ya Deenway tunafuata kikamilifu sheria na kanuni za Kiislamu, ikiwa ni pamoja na mbinu yetu ya kina ya elimu na njia za kujifunza.

Mawasiliano yangu yapo hapa chini iwapo utahitaji kuwasiliana kwa mazungumzo zaidi au msaada mwingine wa kuboresha elimu ya wanafunzi wetu.

Our team of Islamic scholars and other respective larger faculties strive to deliver a unique integrated approach which was the first in Kenya.

I sincerely appreciate the faith and trust given to us by all the parents, guardians' and stakeholders that has enable us reach out to students from Kenya and other countries both regional and other parts of the world.

I clearly understand the challenges facing our parents and guardians about the Curriculum or Syllabus including none Islamic compulsory programs offered in the European countries, America or Canada that challenges our Islamic values.

Please reach out to other family members and friends and assure them that at Deenway International School we strictly follow the Islamic rules and regulations including our total approach to education and learning methods.

My contacts are here below just in case you wish to reach out for more conversation or other support to enrich the learning of our students.

THE INTEGRATED APPROACH AT DIS

OUR INTEGRATION SYSTEM

Integration of Knowledge at DIS translates to and implies that any form of behavior; both actions and spoken words, should be in accordance to the Islamic moral principles and teachings. Hence, for all subjects taught at DIS, the foundation still remains the same and that is, the Islamic perspective of the content learnt. We endeavor to mould students to become God conscious and always to be mindful of their behaviour. Our guiding principles for all their acts in life is to consider the following three most important questions:

- Am I pleasing Allah?
- Am I benefitting from this?
- What are the consequences?

Those questions are the fundamental guide of our students' behavior. In the hadeeth, it is narrated that: The messenger of Allah did not indulge in gross talk nor did he like to listen to it. He used to say, "The best of you is the best among you in conduct." {Bukhari and Muslim}

THE ISLAMIYAAT CURRICULUM

Here at Deenway International School, we follow our unique curriculum. We are also in constant communication with other Islamic International Institutions to see how best we can update our curriculum.

Currently we have a curriculum that covers the basic knowledge of Islam which is essential to every Muslim.

1-DUAS: We start our day with Morning prayers (Adhkar swabah) from the book "Hisnul Muslim". Other duas are also learnt, but in different Islamiyyaat lessons.

2-QUR'AN: We have daily Qur'an lessons, from Monday to Friday.

3-ARABIC: We also have Arabic lessons. The curriculum is focused on teaching students the basic use of common Arabic expressions, including reading and writing skills.

4-HADEETH: A selection of hadeeth is taught. The hadeeths are based on moral behaviour and thus are focused into building a students' personality.

5-TAWHEED: This subject is aimed at equipping a student the basic facts about his beliefs and also to emphasize on the correct beliefs.

6-FIQH: This subject focuses on teaching a student the different and basic form of ibadaat. It also aims at ensuring that a student perform the daily ibadaat correctly.

7-ISLAMIC STUDIES: This subject is adopted from the Pearson-Edexcel. However, special attention is given to the Seerah part (History of the prophet). For that reason, we didn't include a separate Seerah subject to avoid repetition. We have, therefore, mandated that all student must take Islamic Studies as one of the examinable subjects.
